Overview of Codes and Procedures

Sporting excellence and enjoyment are only achieved by participants and spectators through adherence to the highest moral, ethical and sporting standards. Our mission is to establish England Netball as a top-performing, financially sustainable National Governing Body that promotes 'Netball for Life' and develops world-class athletes.

One of our underlying objectives is to establish a safe, fair and inclusive sporting environment.

To achieve this ambition, we must continue to engage everyone in our Sport and provide them with an enjoyable, exciting and stimulating experience. The promotion of respect, high standards of sporting behaviour and ethics are fundamental to this objective. Our Codes of Conduct set out the standards and expectations that are applicable to every Member and Connected Participant involved in the delivery of Netball under the auspices of the National Governing Body in England.

The Code of Conduct for Members and Connected Participants is applicable to everyone involved with Netball. This code is adapted and augmented depending on the additional roles undertaken by the individuals concerned. These additional codes of conduct should not be considered in isolation.

Breaches in standards and expectations must always be taken seriously and fairly handled according to open and transparent regulations. The application of sanctions must be consistent, relevant and proportionate. Our *EN Misconduct List (separate document) provide details of misconducts that should be reported to England Netball and investigated under the Disciplinary Regulations. (indicated in red within the Code of Conduct). Where breaches of the Code of Conduct falls outside of the EN Misconduct List it should be handled informally at a local level.*

It is the responsibility of all Members and Connected Participants to understand England Netball's standards and expectations under the individual codes of conduct and to help us ensure that the code is applied by all netball participants in England.

Cultural Behaviours and Guiding Principles

We have three core cultural behaviours that are critical to how we deliver our strategic goals;

- WE ARE PIONEERS: Never settling, continuously learning and innovating... to be the best that we can be.
- WE EMPOWER: Through collaboration and trust we have confidence in ourselves and others to make the right decisions and get things done.
- WE ARE PASSIONATE: Driven to succeed without ego, inspiring others along the way.

We are strong believers that it is the culture within netball that makes it a special place to belong and drives successes. Our netball family are passionate and dedicated to making Netball the best that it can be.

Our cultural behaviours are underpinned by the following guiding principles which shape and frame our organisation's culture, personal relations and decision-making. These principles are:

- We are a customer-focused sports business. We will always place the participant at the heart of everything we do and provide the best quality service we can but we will balance that with the need to grow and manage a sustainable business.
- We will value and respect the contribution and needs of our volunteer workforce who are integral to our success.
- We will centrally coordinate and locally deliver our portfolio of programmes and products targeting resource at the point of need (one size does not fit all). By ensuring pathways are integrated and securing a return on our investment (financially or socially) creating capacity to reinvest in the business and delivering long-term sustainability.
- We will be innovative and progressive in our thinking, always connecting short-term actions to medium-term strategies and long-term goals and striving to improve the quality and standard of what we do and how we do it.
- We will work as 'one team aligned to one dream' for the benefit of netball in England and as such we will succeed or fail together.
- We will work in partnership and collaboration where there is a mutual benefit in terms of operational effectiveness and efficiency, value for money and added value for participants in netball.
- We will develop, enable and encourage programmes and activities that have a positive and beneficial impact on the lives of netball participants.

- We will establish integrated planning and process pathways that enable rather than constrain service excellence, making England Netball easy to do business with and add value to the participant.
- We will recognise and celebrate individual and collective contributions and success.
